

The 6th Annual Enhancing Quality of Life Golf Tournament

“Having fun, doing good...AGAIN!”

Wytheville Golf Club

April 28, 2017

Mount Rogers Community Services Board and the Blue Ridge Gatorade EnAble Team have teamed up again this year to sponsor the 6th Annual Enhancing Quality of Life Golf Tournament. In this unique golf outing, two Mount Rogers Community Services Board individuals join each team (**making the team a total of 5 members**). For most of these folks, hitting a few golf balls on a real golf course is a major thrill. All funds raised will be used to enhance quality of life for individuals receiving MRCSB services, involving them in expressive activities that promote the concept of recovery.

We are honoring all those who participated on golf teams at the 2016 tournament with the opportunity to register to play at the 2017 tournament by March 31st. After this date we will make participating available to others. Please be sure to register by March 31st! All others: April 15th!

The mission of the Blue Ridge Gatorade Enable Team is giving back to the community. The mission of Mount Rogers Community Services Board is improving the quality of life for people with mental, developmental, and substance use intervention needs. Although MRCSB provides a comprehensive array of mental health, intellectual and developmental services and substance abuse services to the citizens of Bland, Carroll, Grayson, Smyth, and Wythe Counties and the City of Galax, many activities and supports are not funded.
